in Higher Education

AQAS e.V.

certifies the Doctoral Programme

Science of Applied Cellular and Molecular Biology

(Doctorado en Ciencias Mención

Biología Celular y Molecular Aplicada)

at the Universidad de la Frontera in Temuco (Chile)

The accreditation procedure and the decision are based on the Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG). The programme complies with the AQAS criteria for the certification of structured doctoral programmes and is in compliance with the requirements defined by the ESG. The certification is implemented according to the decision of the Accreditation Commission of 04th/05th of December 2017. The accreditation is non-conditional and limited in time until 30th of September 2023.

Cologne, 06th of December, 2017
